

Earn money for Beeks just by shopping at Kroger!

How?

- Sign up for and use your BEEKS KROGER CARD - like a gift card, but use it to buy your own groceries and prescriptions!
- Kroger donates 5% of every purchase made using a Beeks Kroger card to our school. This can add up to a lot of money donated to Beeks, at NO COST to you!
- Beeks Kroger cards are one of the easiest ways for you to help the Margaret Beeks PTO. The money Kroger donates will help our teachers, students, staff, and school.

Does Beeks really make much money from this program?

YES!! Last year, Kroger donated about \$500 per month (that's about \$6,000 per year!) to Beeks. But... there is SO MUCH POTENTIAL for MUCH MORE MONEY!

If just 20 families used their Kroger cards to buy their groceries each week (assuming each family spent \$150 per week on groceries and prescriptions), Beeks would make almost \$8,000 per year! Just think... if we could get 40 families to use their Kroger cards each time they shopped, Beeks would earn over \$15,000 per year from Kroger. This is all at NO COST to you or to Beeks, and that money would go a long way to helping our school, our teachers, and our children!

This sounds great! What do I do?

- Send in to your child's teacher \$5 with the form below in an envelope addressed to Beeks PTO - Kroger cards. We will send you a Beeks Kroger card with \$5 on it, ready for use at any Kroger. All you have to do is add money to the card at the Kroger Customer Service Desk before you shop. Don't know how much you'll spend at Kroger? That's ok - the money you add never expires, so you can use any extra money added the next time you shop. Add too little? That's ok too - when you pay, use your Beeks Kroger card first and pay for any extra amounts owed with your cash, check, debit card, or credit card.
- Remember to ADD MONEY to your Beeks Kroger card every time you shop!
