VP Update (Holly): We are making plans for next year and wrapping up this year. We need to work on committees.

Treasurer Report (Faith): We have \$4,000 that we did not spend that will roll over to next year. A preliminary budget including up to \$800 for smart boards passed.

Teacher Update: The 5th grade is excited for their upcoming trip.

Principal Update (Mr. Mefford): The placement process has been started. Parents were allowed input. Several teachers are changing grade level, and there are some new instructional initiatives for next year. The summer is short. Teacher placement letters will be sent the last week of July. Back-to-school night tentatively set for Monday, August 11. The school board passed a budget. SOL unofficial reports are in. The school is trying to look at effort and growth, not pass/fail.

Identification of committees: WE still need office volunteer coordinator, 5th grade legacy, and VT parking. April Peacock volunteered to do the parking.

Board Elections: President – Dawn Owczarski, VP – Holly McFall and Caroline Mullins, Treasurer – Faith Taylor, Reporter – Laura Krish and Yvonne Clark, Secretary – Laura Oler. The new board was uncontested and approved unanimously.
